

## Federal Maritime Commission

## § 504.4

(d) *Potential action* means the range of possible Commission actions that may result from a Commission proceeding in which the Commission has not yet formulated a proposal.

(e) *Proposed action* means that stage of activity where the Commission has determined to take a particular course of action and the effects of that course of action can be meaningfully evaluated.

(f) *Environmental assessment* means a concise document that serves to “provide sufficient evidence and analysis for determining whether to prepare an environmental impact statement or a finding of no significant impact” (40 CFR 1508.9).

(g) *Recyclable* means any secondary material that can be used as a raw material in an industrial process in which it is transformed into a new product replacing the use of a depletable natural resource.

(h) *Marine Terminal Operator* means a person engaged in the United States in the business of furnishing wharfage, dock, warehouse or other terminal facilities in connection with a common carrier, or in connection with a common carrier and a water carrier subject to subchapter II of chapter 135 of Title 49, United States Code.

(i) *Commission* means the Federal Maritime Commission, including any office or bureau to which the Commission may delegate its environmental policy analysis responsibilities.

### § 504.4 Categorical exclusions.

(a) No environmental analyses need be undertaken or environmental documents prepared in connection with actions which do not individually or cumulatively have a significant effect on the quality of the human environment because they are purely ministerial actions or because they do not increase or decrease air, water or noise pollution or the use of fossil fuels, recyclables, or energy. The following Commission actions, and rulemakings related thereto, are therefore excluded:

(1) Issuance, modification, denial and revocation of ocean transportation intermediary licenses.

(2) Certification of financial responsibility of passenger vessels pursuant to 46 CFR part 540.

(3) Receipt of surety bonds submitted by ocean transportation intermediaries.

(4) Promulgation of procedural rules pursuant to 46 CFR part 502.

(5) Receipt of service contracts.

(6) Consideration of special permission applications pursuant to part 520 of this chapter.

(7)-(8) [Reserved]

(9) Consideration of amendments to agreements filed pursuant to section 5 of the Shipping Act of 1984 (46 U.S.C. 40301(d)-(e), 40302-40303, 40305), which do not increase the authority set forth in the effective agreement.

(10) Consideration of agreements between common carriers which solely affect intraconference or inter-rate agreement relationships or pertain to administrative matters of conferences or rate agreements.

(11) Consideration of agreements between common carriers to discuss, propose or plan future action, the implementation of which requires filing a further agreement.

(12) Consideration of exclusive or non-exclusive equipment interchange or husbanding agreements.

(13) Receipt of non-exclusive shipment agreements.
